

Powder Experience Week

Ski, ride or telemark with top coaches and guides
in Hokkaido, the powder capital of the world.

What is the Powder Experience Week?

'Intro-to-pow' coaching camps for intermediate skiers
and riders with limited experience in powder.

Amazing snow and a variety of resorts.

Highly experienced coaches/guides
finding the best daily locations and giving

you all the tips and tricks you need

to become proficient in powder.

WHERE THE SNOW IS

Powder Experience Week

Basic package JPY 90,000

5 days of powder guiding in the Niseko area

Professional coaching with video analysis

Daily transport to and from resorts

Full package JPY 205,000

All of the basic package plus 6 days of lift passes

Transfers to and from Sapporo Chitose Airport

7 nights accommodation (twin share basis)

Daily breakfast

Itinerary (based on full package)

Day 1

Arrival at Chitose Airport. A bus company representative will be waiting to assist you to the Niseko resort bus transfer service. We'll meet you in person on arrival at the Niseko Welcome Center and take you to your accommodation.

Day 2

Get your snow legs back on this free day and shake the jet lag while cruising around the mountain.

Day 3 to Day 7

5 full days of exploring Niseko and it's surrounding resorts, finding the best daily conditions with our coaches/guides leading the way.

Day 8

Transfer to Sapporo Chitose Airport for departures.

What's Not Included?

- Airfares
- Insurance
- Equipment
